

N239F

900014-P

Antenna thread mount. Chrome brass.

ISO 228/1-G1 female. Incl gasket.

This is a mounting nut for ISO 228/1-G1 including O-ring. This swivel nut allows AC Antennas products a unique generic mounting onto ISO 228/1-G1 mounts. It facilitates a fast and easy fixation without turning the antenna and the cable. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.

Short description
