Angle mast mount. SS316. Ø30-61mm

1" 14TPI nut set and U-bolts. Ø1" hole. Alignment beads.

This is a heavy duty universal mast mount for mounting pipe Ø30-61mm. It is equipped with alignment beads. It is a strong versatile pole mount with installation friendly front mount. The bracket fits both horizontal and vertical pipes. This mount includes a mounting 1"-14 TPI nut and washer set. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
